ALBERTA BRANDS 1982

Alberta
AGRICULTURE

PREFACE

The brands contained in this book have been compiled from the original records kept in the Office of the Recorder of Brands, Stettler. All new issues, reissues, renewals and transfers of brands which were registered prior to April 1, 1982 are included in this book.

Where so many thousands of brands are involved, it is possible that printing errors have occurred. Should any error be found, please report to the Recorder of Brands.

Cattle Brands are arranged separately from Horse Brands. The general arrangement followed is alphabetical and numerical. In every case, the first letter or numeral of a brand determines the place of the brand in the book. Anchors (\downarrow), Diamonds (\diamond) and Triangles (\triangle) which are preceded by a letter or numeral are indexed under that letter or numeral. Where they precede a letter or numeral, they are found between the numerals and the arbitrary signs. The brands are shown in the following sequence according to alphabet: Single Character, Hanging Character, One Character Over Another, Monograms, Two Characters With A Bar, Half Diamond, Quarter Circle above or below, Three Characters In A Line. Brands of one or more arbitrary designs that cannot be otherwise classified, will ensue the Cattle or Horse sections respectively, but any brand containing a letter or numeral with one or more arbitrary designs will be found under that letter or numeral.

The brand \overline{AI} will be found under the letter A, while the brand $\overline{16}$ would be listed in the numerals.

The regulations covering registration of Brands states that Quarter circles are shown with the points away from the two characters, for example: \overline{XO} or \overline{XO} , half diamonds with the points towards the two characters, for example: \overline{XO} or \overline{XO} .

ABBREVIATIONS

To condense the material of this book as much as possible, the following abbreviations have been used throughout.

L	Left	S	Shoulder	J	Jaw
R	Right	R	Rib	N	Neck
